Easy Praise

Hymns Volume 1

How Great Thou Art, Be Thou My Vision, Just As I Am,
Amazing Grace, Abide With Me and many more!

Producers Note...

Easy Praise is a new resource of Hymn sing along accompaniment tracks produced with tempo, pitch and feel in the style of the popular BBC television series Songs Of Praise. The tracks are performed on grand piano with orchestral instruments, and sensitively arranged with timing and expression in response to the text, rather than a rigid mechanical production.

Each track begins with a strong accompaniment to facilitate confident congregational singing from the start, and incorporates a clear melodic lead throughout for easy sing-along.

Our hope is that this pack can be used without musicians or a worship leader and thus provide opportunities for worship in song that might otherwise have been difficult or impossible.

Where more than one tune is commonly used for a given hymn, those tunes are included. For some hymns, particularly those with a large number of verses, we have aimed to provide the number of verses that are most popular. Since the accompaniment is produced to reflect the mood of the text, the verses chosen are indicated in the booklet track list using the first few words of each verse.

While modern adaptations of hymn texts are sometimes used in today's worship, for the purpose of consistency we have chosen the more traditional texts. However these accompaniment tracks should be equally useful with either.

We would like to hear your experiences of using this resource, and any suggestions that you may have for future releases. We can be contacted via info@foxrecords.co.uk. If you have found it helpful, please tell your friends as well, but if for any reason it has not met your expectations, please let us know.

These tracks are arranged and performed by Roger Wilcock. Roger is an experienced choral conductor and composer, and advises the Diocese of Chichester, Sussex, UK in music and worship.
