

38 Snowflakes

Lightly

Snow-flakes fall-ing, Snow-flakes fall-ing, Fall-ing on-to me;
 Snow-flakes fall-ing, Snow-flakes fall-ing, Beau-ti-ful to see.
 Gli-ding down, All a-round, Win-ter's car-pet's on the ground.

Snowflakes falling,
 Snowflakes falling,
 Falling on to me;

Snowflakes falling,
 Snowflakes falling,
 Beautiful to see.

Gliding down,
 All around,
 Winter's carpet's on the ground.

Repeat after musical interlude, which can be played on the glockenspiel or recorder, or as suggested on the piano, an octave higher, with the left hand improvising the suggested chords, or accompanied by the guitar or auto-harp.
